Dixit sententiam et ipsum productam
[illegible] eius intentionem probare ac fundare,
et elidere exceptiones ex adverso
[illegible] [illegible] nulli dubium est quod
dictus laurentius debet admitti ad bene-
ficium [illegible] [illegible] [illegible], et in causa
obtinere. Nec prescriptio aliqua ipsi
obesse potest, ac debet, quia dominia

directum descendit à iure naturali, quod
[illegible] et non pro-
hibitur, quia non potest lege humana,
et civilli tolli, quod est naturali ratione
acquisitum, et divina, et propterea
resistitur in hoc aequitas naturalis,
quae rigori praeferenda est; Et eo
magis, quia Constitutio patria [illegible]
[illegible] quando [illegible]
generales, licet ex dispositione [illegible]
restringatur ad [illegible] viginta annos,
nihilominus communi usu loquendi
habetur pro verbo indefinito, ita quod
sine [illegible] videtur
tale ius concessum recuperandi.
[illegible]
non fuerit tempore, quo ipsi noti-
ficandum veniebat; quia dicitur, quod
Constitutio patria [illegible] non
requirit, quod eo tunc fuisset in
rerum natura. Immo videtur e contra
contrarium, ex quo indefinite loquitur,
si voluisset se restringere ad atti-
nentes tunc existentes, et natos, utique
dicere scivisset, prout dixit loquens.
Et ultimis, ista constitutio disponens
quod non possit fieri alienatio in prae-
iuditium attinentium, et vicinorum loquendo

et attinentibus loquuta fuit indistincte, loquendo vero et vicinis subiungit pro illud tunc coherentibus, ex quo clare intelligitur, quod loquendo et attinentibus noluit intelligi et quibuscumque tum tunc existentibus, quam ex post supervenientibus, et hoc omnes et maxima ut bona conservetur in familia, et si secus diceretur, sequeretur ex necessario, quod constitutio prima nullam voluisset constituere differentiam inter attinentes in suo genere, et vicinos similiter in suo genere. Immo est dicendo, quod dicta constitutio voluit privilegiare omnes attinentes, et descendentes nulla constituta differentia, et si voluisset utique expressisset sicuti in vicino expressit, cum non expressit, nec nos exprimere debemus, eo magis quia statutum est stricti iuris, et stricte intelligi debet, et talis intelligentia ac constitutio patriae est conformis iuri divino, ubi indistincte vocat attinentes [illegible] omnium

nature accusatores existunt, nec tempus
est modus tollende seu inducende
obligationis, nec unus qui nature orti
ducens debet reputari melioris con
ditionis, quam alter, qui ex post
originem trahens, commune enim est
quod ita attinens dicitur [illegible]
qui ex post natus fuit, sicuti
si natus fuisset tempore, quo
notificatio fieri debebat. Et propterea
beneficium constitutionis consequi
debet, non obstante, quod noti
ficatio fieri non potuit dicto
Laurentio tanquam non nato, quia
etsi fit, aliquando fit ad bene
placitum, non autem de necessitate
quia nullus ex forma constitu
tionis predicte artatur ad notificandum.

Nobilis dominus Nicolaus de Honestis

rentii quondam Augustini Hellani et Plasmni

sentiendo [illegible], quod illis non obstantibus
ipse dominus Nicolaus est in casu
victorie, et iustissimam fovet causam.
Nam, ex mutatione asserti depositi
[illegible] facta per Actores et eius leva
tionem cognoscitur, quod pecunie in
erant proprie ipsius Laurentii, et
licet ipse Actor iuraverit pecuniam
esse suam: [illegible] actus talis ac
[illegible] iuramenti fuit, et est ipso iure
nullus, quia factus absente parte,
[illegible]
[illegible], Cum pars ad [illegible] actum
Citari debeat: Preterea licet Actor
de asserto iure suo non Confisus

[illegible] sibi [illegible] quae [illegible]
[illegible] quae nulla sunt.
Attamen talis cessio in nihilo sibi opitulari potest: cum in presenti Judicio non agente nomine dictorum consortium, neque tanquam eorum Cessionarius, ut in petitione patet: Preterea ipse Actor sibi non constans variavit, quia in sua Petitione dicit quondam Antonium bellaij venditorem fuisse Auum paternum ipsius Agentis et tamen in positionibus [illegible] dicit illud fuisse proauum suum. Quae quidem variatio in Actore non tolleratur, et Actor varians audiri non debet: Preterea per suos Testes, (si recte aduertatur) non probatum fuit, quod fuerit filius legitimus [illegible] Antonij venditoris, nec quod fuerit Natus ex matrimonio, prout ad ipsum Actorem probare incumbit, et propterea Actor non admittitur ad Agendum [illegible]
procedens ex [illegible]

vetissimus est, et quando etiam premis-
sa cessarent, que omnino militant,
quod dicto Actori obstat prescriptio plusquam
bemminata, cum transacti sint sexaginta
Anni à dicta venditione citra, de qua
etiam legitime non constat, quae qui-
dem, si retractus tempora habuit, et
habet locum in materia predicta con-
stitutionis sub Agna. Et ita fuit com-
muniter observatum, et quoque id suo-
... ratio dictant; Item illud verbum
quandocunque in constitutione positum
recipit interpretationem à iure commu-
ni, scilicet usque ad triginta annos,
quia ab inde supra tollitur actio,
si qua competiisset, eo quod per spatium
triginta annorum omnis actio tollatur,
et bene, quia dominia rerum non
debent semper esse in incerto,
et constitutio patria ... condita
à suis peritis, qui sciebant illam
dictionem quandocunque sic limitari usque
ad triginta annos propter prescriptionem

quae à Iure fuit concessa maiori
publico, cui renunciari non potest.
Nec obstat, dum ex adverso dicitur,
quod dominium directum descendit à Iure
naturali, quod praescribi non potest,
quia inhaeret ossibus domini,
quia respondetur hoc fundamentum
esse magis falsum, quam Iudam Iscar-
notum: dominium introductum
fuit de Iure Gentium, secundario
quia non inhaeret ossibus, sed tolli
potest tam Iure Belli, quam aliter,
ex legum dispositione. Praeterea
satis superque hoc arguitur ex do-
minio, cum Laurentius numquam habu-
erit dominium aliquod in bonis pe-
titis nec ante venditionem, nec post.
Nec in praesenti casu obstat illa
unica sententia lata per Vicarium
Magnifici domini Petri Mauroceni Potestatis
in simili casu, quia una hirundo
non facit ver, et una sententia
non inducit consuetudinem, maxime.

Ultimo eidem Actori efficaciter etiam obstat, quod non erat natus tempore dictae conditionis, prout de iure requiritur: Nec obstat, dum dicitur, quod Constitutio de Agnatis non requirit quod ... sit natus tempore conditionis, Nam respondetur, quod immo hoc requirit ipsa constitutio ex quo vult, quod tempore contractus conditionis ... ut sciatis hanc esse voluntatem
nostram, quoniam decrevimus, et disti-

fidelissima nostra patria, ad
in ditionem nostram venire con-

dictum est: istas antiquas libertates, et reg-

principalibus deductis pro parte dicti francisci, et primo quod licet dictus petrus antonius non iuraverit, tamen [illegible] quo a principio obtulit [illegible] iuramentum, et in [illegible] [illegible]
[illegible] iuramentum, satis tamen medio videtur legi satisfactum, quia licet lex [illegible] constitutio patriae requirat [illegible] [illegible] esse praestandum per dictum petrum Antonium, non tamen videtur astringere magis ad iurandum in principio, quam in medio, vel in fine, Nam si a principio [illegible] [illegible]

iurandi a principio facta, et
aliter per partem non fuit oppositum,
nec petitum quod deberet iurare

quod si petitum fuisset, ut voluit, iuramento, forte alludisset dicenti.

Non obstat secundum d. praescriptionem allegatam stante interruptione facta, usque ad complementum trigesimi anni per ante dictum iudicium dicto tempore intentatum per dictum petrum, stante maxime quod forma constitutionis non assignat tempus aliquod, sed utitur verbo indefinito quandocumque, quod verbum generaliter [illegible] dispositionis restringatur ad tempus 30ta annorum, attamen [illegible] communi usu loquendi habetur pro verbo indefinito, ita quod sine praescriptione temporis, [illegible] ius recuperandi concessum, [illegible] quo, vel quibus, non solum [illegible] rusticus, et ignarus, possit decipi, sed etiam peritissimi intelligentes viri, non habentes tamen peritiam [illegible] legal[illegible]

quod nostrum decreta vocabit
